July, 2009 Praise 'n Prayer Letter

Dear Ones in Christ

As I start this letter it is 48 degrees outside and I have started a fire in the new insert in the fireplace. Some of you have sent in special offerings to help us with this purchase. Thank You Very Much for this extra help! We heat mostly with wood in the winter. This past winter we burned 12 cords of wood since the wood heats much better than propane and is not as expensive. In June Verna's brother, sister-in-law and a close friend came for a visit from Texas. I had to start the fire several mornings to warm the house. They were a rich blessing and cooked all the meals which we enjoyed immensely since I am not much of a cook.

The last doctor's report indicated that Verna is borderline diabetic. We will have another test next month. Please pray with us about this matter! My eye glasses have wonderfully helped my vision. Thank you for your prayers!

Our daughter, who grades our Bible courses, recently informed me that she had received a box containing an estimated 1,000 Bible correspondence courses from a church in India. We are having souls saved through the course for which we Praise The Lord. You can gain more information about the courses on our Web Site at bbfibobgriggs.com. We also have 10 broadcasts on our Web Site that you can download and listen to if you wish.

Utes

I recently received a letter from Dr. Young Houston who followed up on a letter I received from Malawi several years ago requesting help and He informed me that there are now 54 churches in Malawi and Mozambique with 4 missionaries working with the Bible institutes and ministry there. Praise the Lord for taking our little and using it to His glory! **More fruit to your account!**

Our upstairs shower has a water leak that makes the shower no longer useable. The cost to repair it could run as high as \$1200.00 to \$1500.00. I phoned my son-in-law, Steve Homer, about the problem. He said, "Dad, I have just finished doing the same thing to a shower here and since we are coming to see you in July, I think I can repair it for you. He oversees rentals and has to do repair work on them.

A bogus e-mail has been sent using our e-mail address stating I was in Nigeria asking for \$2500.00! Please ignore it! It is an attack from our real enemy (Ephesians 6:12)

Praise The Lord for how He provides!
