Thank you for your continued prayer and financial support. In the past, with the help of Dr. Young Houston's ministry, we have sent a video Bible College to Brother Sam Joshua in India, have helped them with their orphanage, and have sent Bibles, gospel tracts, and Christian literature to aid in their ministry.

Recently through an evangelistic outreach to Tribal villages they had some **200 people saved which is more fruit to your account**, Praise The Lord! We also received other letters of souls being saved through ministries we are helping. It is such a joy to have part in reaching others with the gospel through saints like you who co-labor with us in the gospel.

Last month I mentioned we had a Bible correspondence bill due for courses that was \$934.04 plus additional funds needed for our monthly radio bill and mailing costs. I was praying for the needed funds to meet these expenses and when I opened the radio broadcast bill for the month, I was surprised to learn they had a change in personnel where our broadcasts are sent from and they had to replay some of our old broadcasts for which they did not charge us.

Therefore, our radio bill for the month was far less than normal which gave us extra funds to apply toward the other expenses. Thus, we were able to pay the bill for the Bible courses as well as the most recent \$810.52 to **mail 3,066 Bible correspondence lessons and packets with New Testaments** etc. to India and Nigeria. **Praise The Lord! More fruit to you account!**

We recently received a phone call from some saints we had not heard from in 29 years. Brother and Sister Ron Melick were members of Aloha Baptist Church when we ministered there in Hawaii. Mrs. Melick was from the Philippines and I first met her at the hospital where she was being fitted for prosthetic legs due to birth defects. She started coming to our church and would show Verna how she had painted her prosthetic toe nails. She was so thankful for her new legs and feet.

A young man in the Navy started dating her and I had the joy of performing their wedding ceremony. They now have two children although they were told they could never have children due to the problems with her legs. However, our Lord is able to answer prayer and do above all we ask or think. They are very happy serving the Lord! She has written some tracts with her testimony and I may be able to share more later.
