Navajo

First we want to thank each of you who sent cards to celebrate our 56th wedding anniversary! Verna and I had the joy of being together as we start on our 57th year of marriage. As we remember all the wonderful blessings our Lord has bestowed upon us, our hearts burst forth with Praise To The Lord for the privilege of serving Him together during these years of marriage. When we started dating and during our engagement I was pastoring Calvary Baptist Church in Eldorado, Texas and we have been in ministry since that time.

It is our privilege to continue serving the Lord through the "Bread Of Life Broadcast" that has the potential of reaching millions with the gospel. When we surrendered to go to the mission field we wanted to go to India but due to Verna being an ex-tubercular we could not be approved to go there which we now realize was of the Lord. However, Psalm 37:4 tells us to "delight thyself also in the LORD; and He shall give thee the desires of thine heart." Thus, today we are hearing more letters from India and sending more materials there than any other country. The following statistics reveal what a rich harvest field India is. India is the second largest population in the world. 80.5% of India is Hindu which is the world's third largest religious system. There are 2,222 unreached people groups in India and by God's grace we are having a part in reaching some of them with your help!

Utes

In July Brother J.B. sent out two mailings to Asia and Africa totaling \$1779.14. He has been looking for someone to take over the mailing ministry and Wanda Barker has volunteered to continue it for us.

Please remember her in prayer as she undertakes to do the mailings. She will need help since the mail bags are too heavy for her to take to the Post Office.

Monday I sent out 10 more radio broadcasts which will be sent forth not only on Trans World Radio but several other radio stations plus the internet. This makes us realize that it is all of the Lord and we are privileged to be a small part of "Watching God Work"! We received a phone call from a lady in Texas who informed us that she keeps up with our ministry through the internet. People around the world can hear the broadcast through that means. We have heard from another person in Romania who listens to the broadcast at bbfibobgriggs.com. Only eternity will reveal the full results as fruit to your account!
