Please continue to keep Verna and me in prayer. Verna has had diarrhea for three weeks and is on two strong antibiotics. I will take her to the doctor again in a few days. She is very weak due to this problem!

Wanda Barker sent out more mail bags of New Testaments, Christian literature and gospel tracts to India last month. Also, Joe and Pat Neuburger sent out another 3,388 Bible correspondence lessons to India, Nigeria, and Malaysia. The cost for both mailings was \$1,449.08.

Please remember Dr. Young Houston in prayer! August 30th, Sister Velma Houston departed for glory. She was married to Dr. Young Houston for 68 years. Dr. Houston is the one to whom I gave the letter from Brother Mowase of Malawi who was crying for help with the 13 churches left in his care by the Reformed Presbyterian Church who had pulled out of Malawi. We had mailed Brother Mowase New Testaments, the Doctrines of Faith, gospel tracts and Christian literature.

Dr. Houston visited Bro. Mowase in Malawi, explained the scriptural doctrine of Baptism and baptized him. Then he helped Bro. Mowase establish Landmark Baptist Ministries in Malawi and lead all the churches into that work. They established a Video Bible Institute using Independent Baptist College professors teaching to train the pastoral students. As a result, today there are 54 Independent Baptist Churches, several Bible Institutes, and four full time missionaries in Malawi and Mozambique.

This all came about as a result of our "Bread of Life Broadcast" and the contact made through the broadcast with your help. To God be the glory for He can take little and do much with it! FRUIT TO YOUR ACCOUNT!

We have so MUCH to be THANKFUL for!!

Recently we received a phone call from, David, our oldest son who is moving here with this family to help us. He will be transferring here to be a manager at Wal-Mart the first of December and will move his family the last week of December.
