*Presenting the Gospel to Colorado's Native Americans and
Taking heaven's promises of hope and peace where missionaries cannot.*

Your Joy and peace instead of stress and wandering - what a trade!

Greetings from Bob Griggs Ministries.

We're excited to tell you where and how to make the trade mentioned above.

No, this is not a letter asking for funds, facts about you, or some commitment.

It's really hard to find anywhere that's not pronouncing gloom and doom, bad economy and employment, shortcomings of public education, scary effects of technology on our kids, news that's just network bickering, or more evil ways our home security is being threatened.

... that your joy might be full is a phrase that, while strange, lays our hearts bare and crying for - for ourselves and those we love. Herein is the lifeblood; the mission of Bob Griggs Ministries as authorized by God's precious word, the Bible.

Our purpose in what you are now reading is no more than to introduce you to the several ways God is allowing us to tell the world of real joy; this joy that is full. We hope this 'hello' letter will burden you to pray for our long standing ministries and tell others about us. While our website provides our history and details of our ministries, the images above start our friendship with you connecting our efforts as follows:

- Broadcasting God's plan and promises to 60+ nations for over 45 years.
- Praise 'n Prayer Letters give you hands-on news of God's bountiful blessings at BGM.
- Distance Learning in God's Word right where you are strengthens us toward maturity.
- Recycling of clothing, faith-based curriculum, Bibles, to India and elsewhere.
- 24/7 website connectivity provides in your home or on the go access to us by you,
- Ministries to the Native Americans of Colorado as part of God's harvest of souls.

The Bible is chock full of joy; of full joy; of exceeding joy and peace. Email or call us to find out more about this joy that God has created just for you and me.

In Christian Love, Bob and Verna Griggs
